

“*Our mission* is to help businesses curate an elevated market presence by crafting memorable brands, providing innovative marketing solutions, and telling impactful stories that will position our partners as best-in-class *within their industry.*”

FEMALE-FOUNDED CREATIVE AGENCY

Whether your brand is a seasoned entity in need of fresh perspective, or an emerging idea seeking inception, Millennial Marketing stands poised as your adept confidante to breathe life into your vision *or craft it from the ground, up.*

History of Success

WHO WE ARE

Millennial Marketing is a female-founded creative agency guided by a trail-blazer mindset with a 30+ year legacy deep-rooted in marketing excellence and bespoke brand experiences. We strive for a best-in-class mentality which is achieved through our creative diversity and collaboration with stakeholders from *every corner of the industry.*

LEADERSHIP

christa huffstickler, *founder + CEO*

As Managing Partner of Millennial Marketing, Ginger stands out for her ability to blend creativity with strategic thinking, bringing a unique combination of artistic vision and analytical insight to every project. Since joining Christa at the launch of the Atlanta branches of globally recognized real estate brokerage, Engel & Völkers, Ginger has played a pivotal role in shaping Millennial Marketing's creative direction and expanding its footprint across multiple industries, all while maintaining a strong presence in real estate marketing with her heavy integration within the brokerage.
